LOCAL MATTERS.

RED MEN.—The Great Council of the Improved Order of Red Men of the State of Virginia assembled in the wigwam of Osceola Tribe, No. 1, in the Opera House at 9 o'clock this morning and were called to order by Great Sachem Chas. J. Phillips who in brief remarks introduced Mayor Geo. L. Simpson, by whom a most eloquent and impressive address of welcome was delivered. Alluding to the origin of the order in fitting language of the native red man of America, of their various tribes and their tribal relations, how their mode of living and customs were rapidly becoming extinct by the adoption of those of civilization, the Mayor exhorted in exceedingly choice language a description of the rise and expansion of the Improved Order of Red Men which, Phoenix like, had risen from the ashes of the past and was now firmly established on the inviolable tenet of friendship. In praiseworthy terms he spoke of the numerous societies formed for the good of man and mentioned how the benevolent acts of individuals had been the nucleus around which organized societies had been formed and would continue to all posterity. With a pleasing peroration the Mayor stated that the hunting ground in Alexandria had built wisely and well on the tenets of the order, and had kept its eschutcheon fair and untarnished and he wished they might ever be harmonious and prosper, as he believed it is destined to be. Washing the delegates a pleasant visit he bade each and all a sincere and hearty welcome to city and a place in the affections of his people. Bro. Jno. W. Cherry, of Black Hawk Tribe, Norfolk, responded to Mayor Simpson and alluded to his attendance at a Council held here fourteen years ago. In feeling terms he spoke of their familiar faces but now missing, from the fact that the ravages of time had gathered them into the bounds of a happy hunting ground and recalled the names of a number of the Alexandria dead. Bro. Cherry spoke of the rapid advancement and spread of the order which shows an increase in this State of about 120 per cent, there now being forty-eight tribes in this Great Reservation. In appropriate words he thanked Mayor Simpson on behalf of the fraternity for his welcome to Alexandria and the happily delivered and highly appreciated address.

The council was then opened and the various committees were appointed and after some preliminary business was transacted an adjournment was had till 9 o'clock tomorrow morning.

The visitors went to Mt. Vernon this evening, the guests of the Alexandria Red Men, and enjoyed a very delightful trip.

COUNTY DEMOCRATS.—An election was held last night in the various county precincts for the election of delegates to the Norfolk convention for the purpose of nominating a Governor. In the Jefferson district the meeting was held in Hume schoolhouse and it was the most largely attended of any of the meetings. The contestants were A. S. Doniphan, who was in favor of Montague, and Walter U. Varney, who is in favor of Swanson for Governor. For a time there was no light in the room and much excitement prevailed. When the ballot was counted, it resulted in Mr. Varney receiving 39 and Mr. Doniphan receiving 49 votes. In Washington district the meeting was held in Carne schoolhouse and was quite largely attended. The fight was between Capt. Crandell Mackey and Andrew Lipscomb. When the ballot was counted it resulted in Mr. Mackey receiving 75 votes and Mr. Lipscomb receiving 56 votes. Mr. Mackey is in favor of Montague for Governor. After the meeting Mr. Lipscomb stated that he would contest the vote.

IN ARLINGTON DISTRICT, the meeting, which was held in the Court House, was quite largely attended and the Montague men won. The delegates elected were Robert Veitch and William Ball. The Montague men received 112 votes and the Swanson men received 91 votes. Curtis Graham and Oscar Herron, who were in favor of Swanson, were defeated. This gives Alexandria county to Montague, he receiving three out of the four delegates.

AFTER THE SLOP-GATHERERS.—Both branches of the City Council last night passed an ordinance making it a misdemeanor for persons after the first day of next month to transport garbage through the streets of the city in uncovered vessels. While the law is designed as a check on more colossal practices, it will have a salutary effect all over the city by checking a decided nuisance. For many years complaints have gone up from all directions of the total disregard for cleanliness or the rights of others on the part of people—white and black—who carry garbage through the streets in buckets, old lard cans, &c. Some of these (generally boys) have been seen to stop in the street and pour off the liquid contents of their receptacles into gutters. These garbage-gatherers often jostle against ladies and gentlemen on the sidewalks who are compelled to be on the alert to prevent their clothes from being ruined. Besides all this, the urinals engaged in the business often place the open buckets filled with kitchen refuse on sidewalks while they engage in shooting marbles at cents. In the meantime the slops they have in charge are festering under a summer sun. It is generally hoped the law will be rigidly enforced.

CONFEDERATE DEAD.—Quartermaster General Ludington has entered into a contract with R. W. Darby of Washington for the removal of the remains of the Confederate dead in the Soldiers' Home cemetery near that city, and in the Arlington cemetery to another section of the last named cemetery, which has been set aside by the Secretary of War for their reinterment. Bids were recently opened for this service, and that of Mr. Darby was the lowest. His figures were \$4.95 each in the case of the bodies in the Soldiers' Home and \$4.80 each for those at Arlington. He has also contracted to set headstones provided by the government at the head of each of the newly made graves at the rate of 10 cents each.

STOPS THE Cough and Works Off the Cold. LAXATIVE BROMO-QUININE TABLETS cure a cold in one day. No Cure, No Pay. Price 25 cents.

PERSONAL.—Mrs. W. O. Ballard, who has been visiting relatives in Charlottesville, returned to her home yesterday.

Mr. and Mrs. Robert Porter have left Washington for their summer home, in Manassas. Mr. Porter and the Misses Porter sail for Europe in June, to be gone several months.

Mr. W. M. Angelo, of this city, and Miss Ida G. Eckardt, of Front Royal, were married in the Methodist Episcopal Church South at Front Royal this evening at 4 o'clock, by Rev. Mr. Locke. They will reach this city tonight and will make Alexandria their future home.

Messrs. C. C. Carlin and L. C. Barley, who have been at the Hot Springs, have returned.

Allen Smith, son of Councilman B. B. Smith, is serious ill. Bishop Poterkin, of West Virginia, is in the city, having come to attend the session of the Episcopal Council, now in session at Christ Church.

Judge Norton has returned from a professional trip to New York and West Virginia. Engineer Wm. H. Wood returned today from the trip of the Columbia company to that city on June 12.

Rev. Dr. F. J. Brooks, pastor of the Second Presbyterian Church, left yesterday afternoon for Little Rock, Ark., to attend the General Assembly of the Southern Presbyterian Church.

Messrs. Wm. Deming and B. Wheatley have gone to Richmond to attend the Federal Directors' Convention.

THE MOUNT VERNON.—The treasurer of the Mount Vernon Ladies' association, Mr. E. Francis Riggs, presented his annual report to the board of regents yesterday. The report was given in concise terms and it was received with evidences of satisfaction. Admiral Dewey was among the visitors at Mount Vernon yesterday. He went down to see Mrs. Winder, of New Hampshire, who is one of the vice-regents, and a sister of Admiral Dewey's first wife. A number of interesting relics have been added to the mansion since the regents have been in session.

This evening Gov. Tyler and the Virginia Board of Visitors were received by the regents. In the party were Judge Sener, Dr. Curry, Capt. Coke and Mr. R. S. Gardner. Among the other visitors there today were Miss Mary Custer Lee, Mrs. J. Hoge Tyler, daughter and two sons, Mrs. E. W. Hogue, Mr. Taylor, Miss Miller, Mr. and Mrs. F. J. Brooks, from Georgetown; Mr. Richardson, of Washington, and Mr. Pleasant.

BIRTHDAY PARTY.—The little eleven year old daughter of Mr. W. H. Hellmuth gave a charming birthday party yesterday evening at the home of her parents, a large number of her friends and playmates being present. The presents were numerous and beautiful. Among those present were Mr. L. F. Palmer and wife, Miss Louise Gummel, Miss Irene Gummel, Master Frank Palmer, of Washington; Rev. Mr. Locke and wife, Misses Lelia Scott, Mary Harlow, Florence Appich, Ruth Appich, Elita Kirk, Mary Allen Estlin, Julia Damaine, Blanche Stansbury, Maud Cogran, Ross Crilly, and Masters George A. Appich, Jr., Raymond Hellmuth, Harvey Henshaw, Frank Rogers, Willie Harris, Alexander Harris, L. J. McBurney, George Prytzman, Willie Hellmuth and Everett Hellmuth.

MANY COUNCILS.—Upon the arrival of one of the Southern trains last night a committee of reception for the Episcopal council was on hand to care for the delegates who were expected. A group of ladies were saluted with the question "Are you delegates?" Upon receiving an affirmative reply they were invited to "walk this way gentlemen, we'll take you to nicest place in town!" While they were walking the fact dawned upon the committee that they had charge of a delegation of Redmen or wild Indians and summarily quit them whereupon Chief Wampus accused brother Tomahawk of throwing them off the lucky trail by having a must lead them over a rocky road to some other hunting ground. The three councils are the topic of the day.

DISORDERLY PROCEEDINGS.—Several negroes, male and female, who infest the court bounded by Prince, Duke, Patrick and Alfred streets were before the Mayor this morning charged with fighting and disorderly conduct. They were fined, but some, unable to pay the assessments, were locked up. Later they expanded their lungs by singing hymns. This court was for a long time a menace to the peace of people living in that neighborhood, and it was eventually cleared of the disorderly element. Recently, however, some of the former denizens have again taken up their abode there.

POLICE COURT.—The following cases were disposed of today: Michael Pettit, drunk in the street; dismissed. Amos Robertson, colored, unlawful assault and beating Mary Jones; fined \$5. Mary Harris, colored, disorderly conduct; fined \$2.50.

NIGHT REPORT.—Last night was clear and cool until about 2:30 o'clock when it became cloudy. Two prisoners and two lodgers were at the station house.

ANOTHER ENTERPRISE.—It is said that several people, supposed to hail from Washington, come to this city about once a week and give spiritualistic seances in the extreme southeastern part of the city. This new feature, with the belief in ghosts, conjuration and fortune-telling manifested more or less in various parts of the city may afford edification to some who seem ignorant of the fact that the veil concealing the future is woven by a hand of mercy.

RESIGNED.—Police Officer Weston Atkinson today resigned his position on the city police force, which he has held efficiently for some years. He has secured a position as fireman on the Southern Railway and has already entered upon the discharge of his new duties.

Pearls Found in Vermont.

Everyone is talking about the "Green Mountain Pearls." Did you know that they cure liver troubles, constipation, bad digestion, nausea, dull headache, dizziness and foul breath? There never was a pill sold which acted so quickly and gently and they don't gripe one bit. A trial is all we ask—we know what the result will be.

WARFIELD & HALL.

BOTH KILLED.—A man and a woman, who, it is said, recently lived at No. 1015 P Street, but whose names are not given, were struck by a light engine on Powell's creek bridge, on the Washington Southern Railway, about 8 miles below this city, just about dark yesterday evening and both were killed. At last accounts the bodies were still at the scene of the accident and an inquest was to be held today. It is said that the man and woman were walking across the bridge when the engine came upon them unexpectedly.

Inquiry was made at No. 1015 Prince street today concerning the accident, but the people living there said they knew nothing of it.

DEATHS.—Mrs. Margaret Cook, an old and much-respected resident, died at her home, 312 North Pitt street, last night. The deceased was the widow of John Cook. Mrs. Cook several weeks ago fell down a flight of stairs and received serious injury.

MISS Carrie Pickin, daughter of Mr. Chas. H. Pickin, died at the home of her parents, 611 Queen street, last night.

CHARTER.—Judge Norton in the Corporation Court today granted a charter to the National Grocery Company, the object of which is to transact a wholesale grocery and general commission business. The capital stock is \$100,000. James V. Hall, of Washington, is president, and F. E. Anderson is agent of the company in this city.

G. L. Booth was appointed administrator of the estate of Catherine E. Taylor and J. T. Burke, M. P. T. Burke and E. F. Knox were appointed appraisers.

SCHOOL SUPERINTENDENTS.

The State Board of Education met yesterday and elected all of the superintendents of the public schools save about twenty or twenty-five.

The list of the chosen includes most of those who had no opposition, and not a few where the contests were not so close. The bitterly contested cases were put off till the board meets again, which will probably be next Tuesday, upon the return of the Governor to the city.

Among the list of those chosen yesterday who were not opposed were: Alexandria city, K. Kemper; Alexandria county, James E. Clements; Culpeper, James M. Beckham; Fairfax, M. D. Hall; Fauquier, William C. Marshall; Freedom, M. E. Lynde; Front Royal, E. P. Willis; King George, G. W. Griesley; Loudoun, L. M. Shumate; Orange, William C. Williams; Page, Charles E. Graves; Westmoreland, T. Hunter, Jr.; Winchester, M. M. Lynde.

The board, however, holds the list subject to revision.
